Ski and Snowboard Series 2009-2010

All titles are **30 MINUTES** in length & meet FCC requirements for Closed Captioning.

1. Cold Smoke: Visit three Cat and Heli operations in the Canadian Rockies that guarantee the best skiing you could ever imagine!

2. HeliCat Canada: Let us inspire you to hop aboard a snowcat or helicopter for an unforgettable adventure in BC, Canada where 95% of the world's heliskiing and catskiing takes place. Get ready for the ultimate experience on snow!

3. Intelligent Design...The World Superpipe Snowboard Championships: After six successful years of the World Superpipe Championships, Park City Mountain Resort decided it was time for a change. With the idea of "change" evolved "Intelligent Design"... an evolutionary competition which combined half-pipe, jibbing and big air, all in one course.

4. Keep Climbing...The Sean Swarner Story: Sean Swarner knows what it is like to beat the odds. After defeating cancer twice, Sean realized that no challenge would ever be too great or any peak too high. *Keep Climbing* tells the remarkable and inspirational story of a man whose ability to defeat cancer was only the prelude to a life of high mountain adventure.

5. Lost and Found: The story of the extraordinary winter season as seen through the eyes of world-class skiers and snowboarders. Filmed almost entirely in North America, *Lost and Found* is a testament to the terrain and conditions that only exist in the Western Hemisphere.

6. Making of Under the Influence: Go behind the scenes of Teton Gravity Research's movie, and experience what it takes to make a ski & snowboard film. This film follows the exploits of today's top riders as they traverse the globe in search of the unique terrain & conditions that emerged from one of the deepest winters in recorded history.

7. Panhandle Powder: Nestled in the Selkirk Mountain Range, the beauty of Schweitzer Mountain Resort will take your breath away. It's also known for getting huge dumps of powder, glade skiing and a terrain park that is a huge hit with freeriders and jibbers.

8. Powder Highway: We're going to British Columbia to ski the world famous 'Powder Highway'. We'll also go to Rossland, an old gold mining town that produces the 'white smoke.'

9. Ripple Effect: Set in the quaint alpine enclave of Aspen, Colorado, *Ripple Effect* combines both breathtaking scenery and heart-stopping action from one of the world's most celebrated destinations. The true-to-life cast shares their passion for snowriding, as well as the lessons it has taught them.

10. Rossi Chronicles: For some skiers and boarders, life on the road is what living is all about. There's a unique breed of people whose lives revolve around being in the mountains and chasing the snow... namely the Rossi Freeride Team.

11. Wild World of Winter...Adventure in the Alps: For a classic ski experience that blends the new with the old, *Adventure in the Alps* takes you on a tour to the best resorts in Europe. You'll discover the elegance of old world Europe and the thrill of glaciers on this once in a life time tour through the alps.

12. Wild World of Winter...Valdez: Valdez is the last frontier for true adventure in North America. The terrain is big, intimidating and extreme. Ride along and explore this amazing place with skiers and snowboarders who have the boldness and confidence that is only possessed by true "mountain masters".
