**1. ADVENTURES IN THE WHITE ROOM:** Come along as the crew from Freeride Media hits British Columbia's infamous Powder Highway in search of the legendary Cold Smoke. Viewers will also meet up and with Professional Big Mountain Skier/Big Wave surfer Chuck Patterson as he charges through the bottomless powder as well as takes on Hawaii's legendary Jaws on a pair of snow skis through the Belly of the Beast.

**2. ALMOST ABLAZE:** A global odyssey combining state-of-the-art cinematography and the most progressive snow riding on the planet. Experience a new level of sensory overload as each athlete is wired for sound, immersing the audience completely in the moment. Experience a rarely seen state of being and level of excitement where one missed step will result in total chaos.

## 3. ASCENT TO POWDER

Epic snow. Big lines. Vast mountains. A historic town complete with stories & legends. Interesting characters. Passionate people. This is Fernie. Where legendary skiing fuses with real stories from locals, pioneers, freeskiers and riders in one of the most classic rocky mountain ski towns in North America.

**4. PARADISE WAITS:** From the award-winning filmmaking crew Teton Gravity Research (TGR) comes the story of one weird winter and the people who celebrated it. For those who anticipate winter's arrival with frothing mouths and the dreams of what may come, the winter season for snow riding film makers unfamiliar struggles as these perfect moments became more and more elusive. But for the TGR team, this only hardened their pursuit of winter's rewards. Through the highs and lows of a curious season, they come to find that the moments found on the other side of adversity are the greatest moments of all.

**5. RIDING POWDAHO:** Viewers will take a virtual trip to McCall, Idaho...an unknown area that's gaining huge attention by snow riders from around the globe. They'll also glimpse into the lives of some young snow riders known as the Idahomies as they travel by snowmobile to ski our the Ghost Town Burgdorf Hot Springs. The special also features Brundage Mountain Cat Skiing not to mention experience the famous McCall Winter Carnival where ice sculpting is out-of-this-world.

**6. THE WINTER OF CONTENT:** Using dramatic backdrops of the Canadian Rockies & leading edge cinematography, viewers will experience the "sensation of power" and be inspired to push their own limits through the narrative of Powder Therapy. Big lines, spring jumps & new school tricks are just a few of the highlights in store for this awe-inspiring adventure.
